► **FILE #:** 4-B-25-SNC

**AGENDA ITEM #:** 32

**AGENDA DATE:** 4/10/2025

► **APPLICANT:** CATHY OLSEN / KNOX COUNTY ENGINEERING AND PUBLIC WORKS

MAP NUMBER: 90

[View map on KGIS](#)

JURISDICTION: County Commission District 6

► **CHANGE REQUESTED FROM:** Coward Mill Rd.  
(present street name)

► **TO:** 'Bull Elk Ln.'  
(proposed street name)

► **LOCATION:** Between a point approximately 375' west of Sycamore Creek Ln near the southwest corner of parcel 090 072 and west to its terminus

GROWTH POLICY PLAN: Planned Growth Area

► **APPLICANT'S REASON FOR CHANGE:** The Coward Mill Phase 2 Capital Project widened and realigned Coward Mill Rd, resulting in two dead-end segments of public ROW needing a new street name per Addressing and 911 guidelines.

## STAFF RECOMMENDATION:

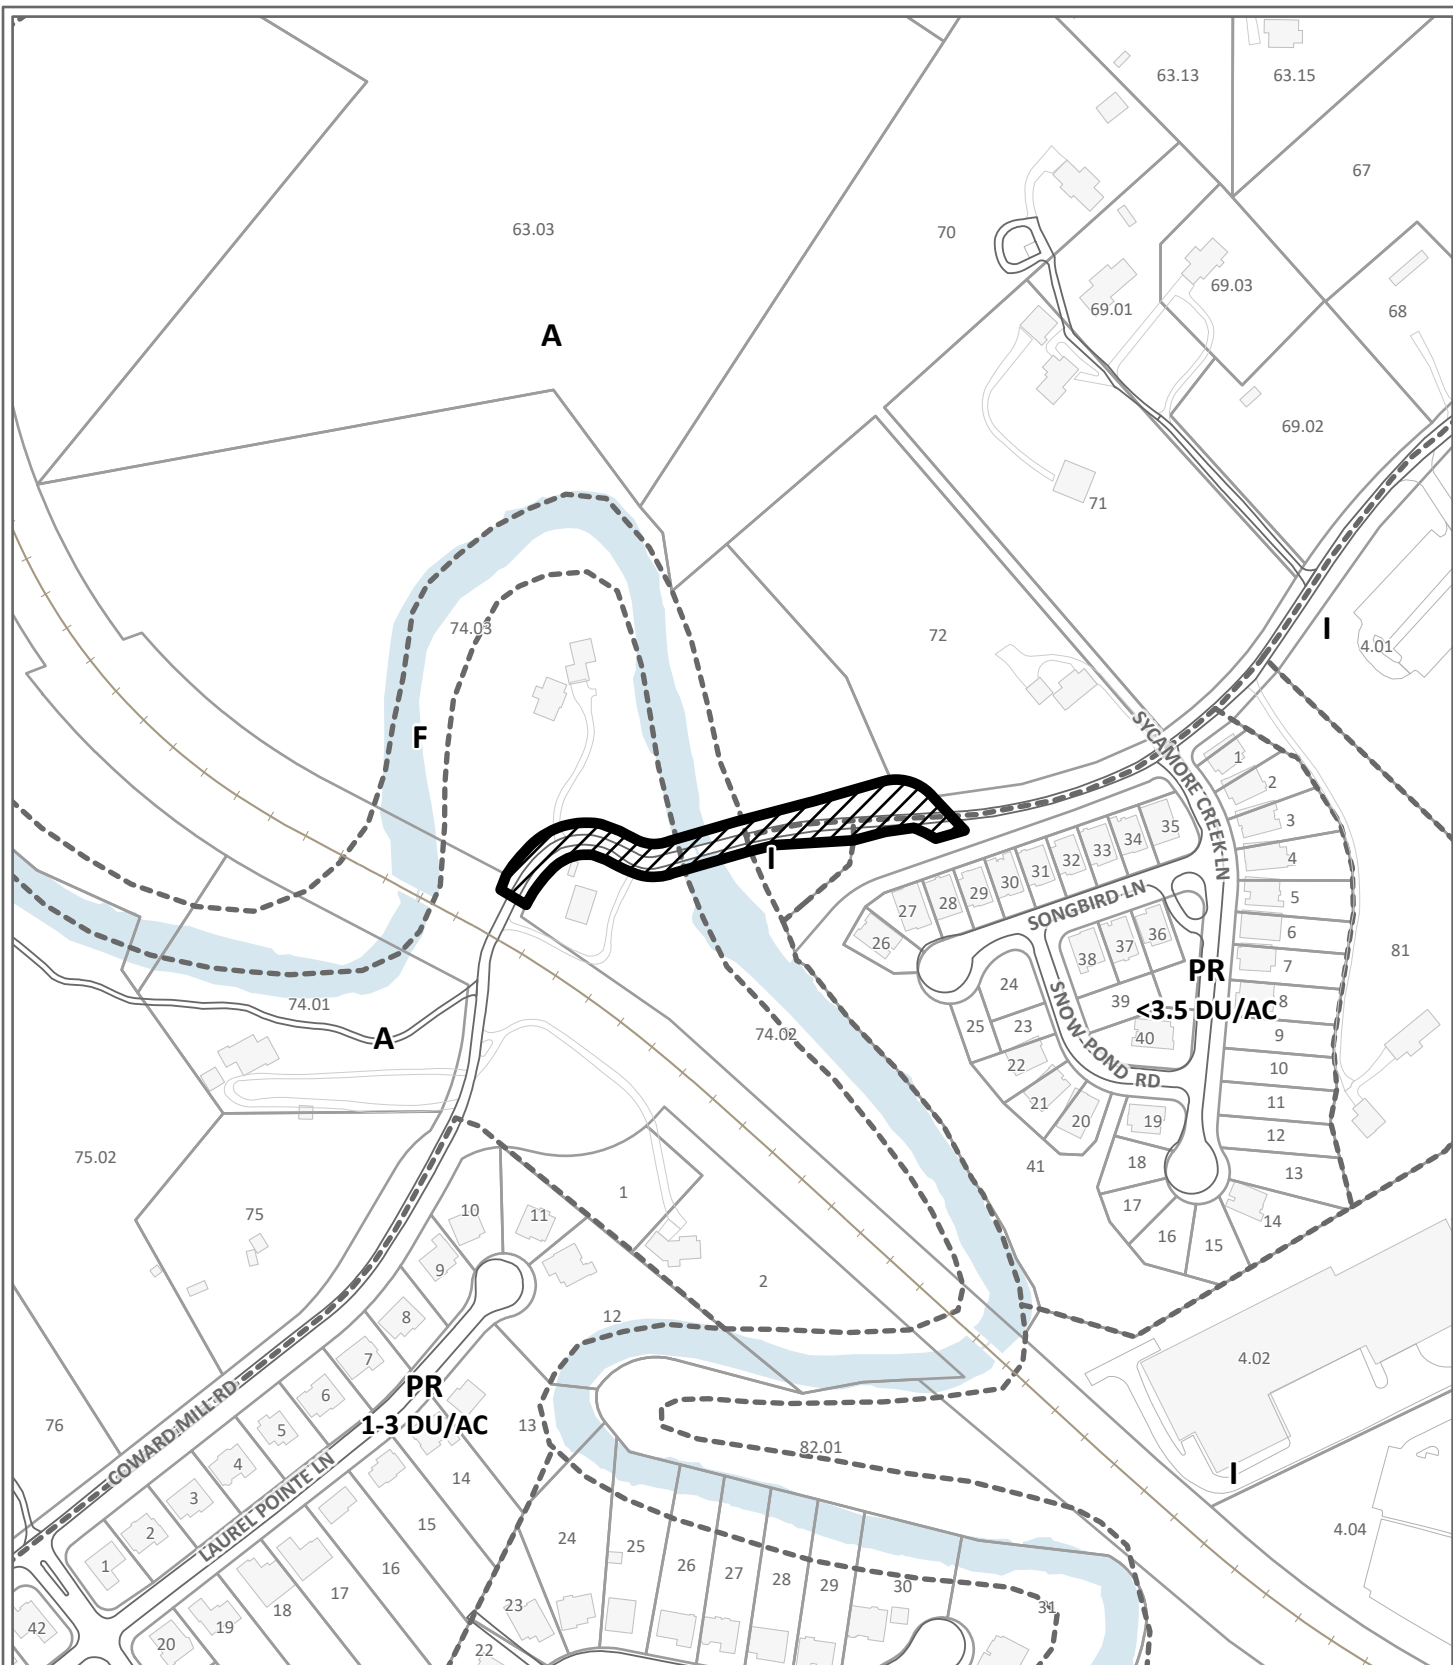

► Approve the name change of Coward Mill Road to Bull Elk Lane as requested by the Knox County Department of Engineering and Public Works.

## COMMENTS:

1. The Knox County Department of Engineering and Public Works (EPW) has proposed changing the street name of Coward Mill Road because of a street realignment. As described in the applicant's reason for change, a capital improvement project for Coward Mill Road has resulted in two dead-end segments.
2. Both dead-end segments require new names per Addressing and Knox County Emergency Communications District (Knox 911) guidelines and separate applications have been submitted for these segments.
3. Approval of this request will result in the redressing of one of two abutting parcels. On behalf of EPW, Planning coordinated with the property owners adjacent to the disconnected segment of Coward Mill Road for input on the new proposed street name. Despite attempts to reach all property owners, only one owner submitted street names for consideration. "Bull Elk Lane" was approved by staff; therefore, EPW selected this name for the proposed street name change. EPW also mailed a notice of proposed street name change to owners on February 24, 2025.
5. Planning has received no objections to the renaming of this right-of-way.
6. The name change meets all requirements of the County's Code of Ordinances (Chapter 54, Article II).

If approved, this item will be forwarded to Knox County Commission for action on 5/12/2025. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knox

County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal a Planning Commission decision in the County.

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission, including the following applications: rezoning, plan amendment, concept plan, use on review/special use, planned development, right-of-way closure, and name change.

The required public notice sign(s) will be provided by Planning to the applicant when an application is submitted. If an application is submitted electronically, Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

## LOCATION AND VISIBILITY

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

## TIMING

The sign(s) must be posted **not less than 12 days prior to the scheduled Planning Commission public hearing** and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

***The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:***
