► **PRESENT ZONING:** A (Agricultural)

► **ZONING REQUESTED:** CN (Neighborhood Commercial)

► **EXISTING LAND USE:** Agriculture/Forestry/Vacant Land

►
EXTENSION OF ZONE: No, this is not an extension.

HISTORY OF ZONING: None noted

SURROUNDING LAND USE AND ZONING: North: Single family residential, rural residential - A (Agricultural)

South: Single family residential, agriculture/forestry/vacant land - A (Agricultural), I (Industrial)

East: Single family residential - A (Agricultural)

West: Single family residential, agriculture/forestry/vacant land - A (Agricultural), PR (Planned Residential) up to 3 du/ac

NEIGHBORHOOD CONTEXT: This area is primarily characterized by single family dwellings on a mix of small suburban lots and larger rural lots. Amherst Elementary School and a church are both about 1/4 mile east of the subject property.

STAFF RECOMMENDATION:

► **Deny the CN (Neighborhood Commercial) zone because the subject property does not meet the zone's intent or location criteria.**

COMMENTS:

PURSUANT TO THE KNOX COUNTY ZONING ORDINANCE, ARTICLE 6.30.01, THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND ZONES AFFECTED, OR IN THE COUNTY GENERALLY.

1. Since the early 2000s, development trends in the surrounding area have been mainly residential, consisting primarily of single-family dwellings on various lot sizes and limited townhouse developments. Commercial development has been concentrated east of the subject property near Oak Ridge Highway, a commercial corridor a little over a mile away up Schaad Road to the northeast.
2. The Schaad Road Improvement Project is underway a quarter mile west of the subject property.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSES OF THE APPLICABLE ZONING ORDINANCE.

1. The CN (Neighborhood Commercial) zone provides the opportunity to locate limited retail and service uses in a manner convenient to and yet not disruptive to established residential neighborhoods. It is intended to provide for the recurring shopping and personal service needs of nearby residential areas. Development should be compatible with the character of the adjacent neighborhood. This zoning should generally be placed at street intersections that include either a collector or arterial street, as close to the edge of the neighborhood as possible. The subject property is not located at an intersection of classified streets. It is in the middle of a section of Schaad Road that mainly consists of residential development. Limited civic uses, such as a church and Amherst Elementary, are nearby, but they are located closer to the intersection of Johnson Road and Schaad Road.
2. Rezoning should be based on the entire range of uses allowed within a zone to ensure that any development brought forth in the future would be compatible with the surrounding land uses. The range of permitted uses in the CN zone is limited to those generally patronized on a frequent basis by neighborhood residents.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AN AMENDMENT.

1. As stated previously, the subject property is not located near an intersection, and it is situated between residential uses. As such, approval of the CN zone in this location would be an encroachment of a commercial zone in a residential area.
2. The CN zone has development standards intended to maximize compatibility between commercial and adjacent residential uses, such as increased setbacks, landscaping standards, pedestrian connections, and site lighting requirements.

PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE COMPREHENSIVE PLAN OF KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The subject property is designated with the SMR (Suburban Mixed Residential) place type in the Knox County Comprehensive Plan. The CN zone is partially related to the SMR place type.
2. Per Appendix H of the Comprehensive Plan, additional criteria must be met for partially related zones. The proposed rezoning meets the first criterion, as the CN zone aligns with the secondary commercial uses in the SMR place type.
3. The proposed rezoning does not comply with Implementation Policy 2, to ensure that new development is sensitive to the existing community character. Though there are development standards in the CN zone, the placement of commercial and retail amenities in the middle of a residential block may disrupt the character of the surrounding neighborhood.

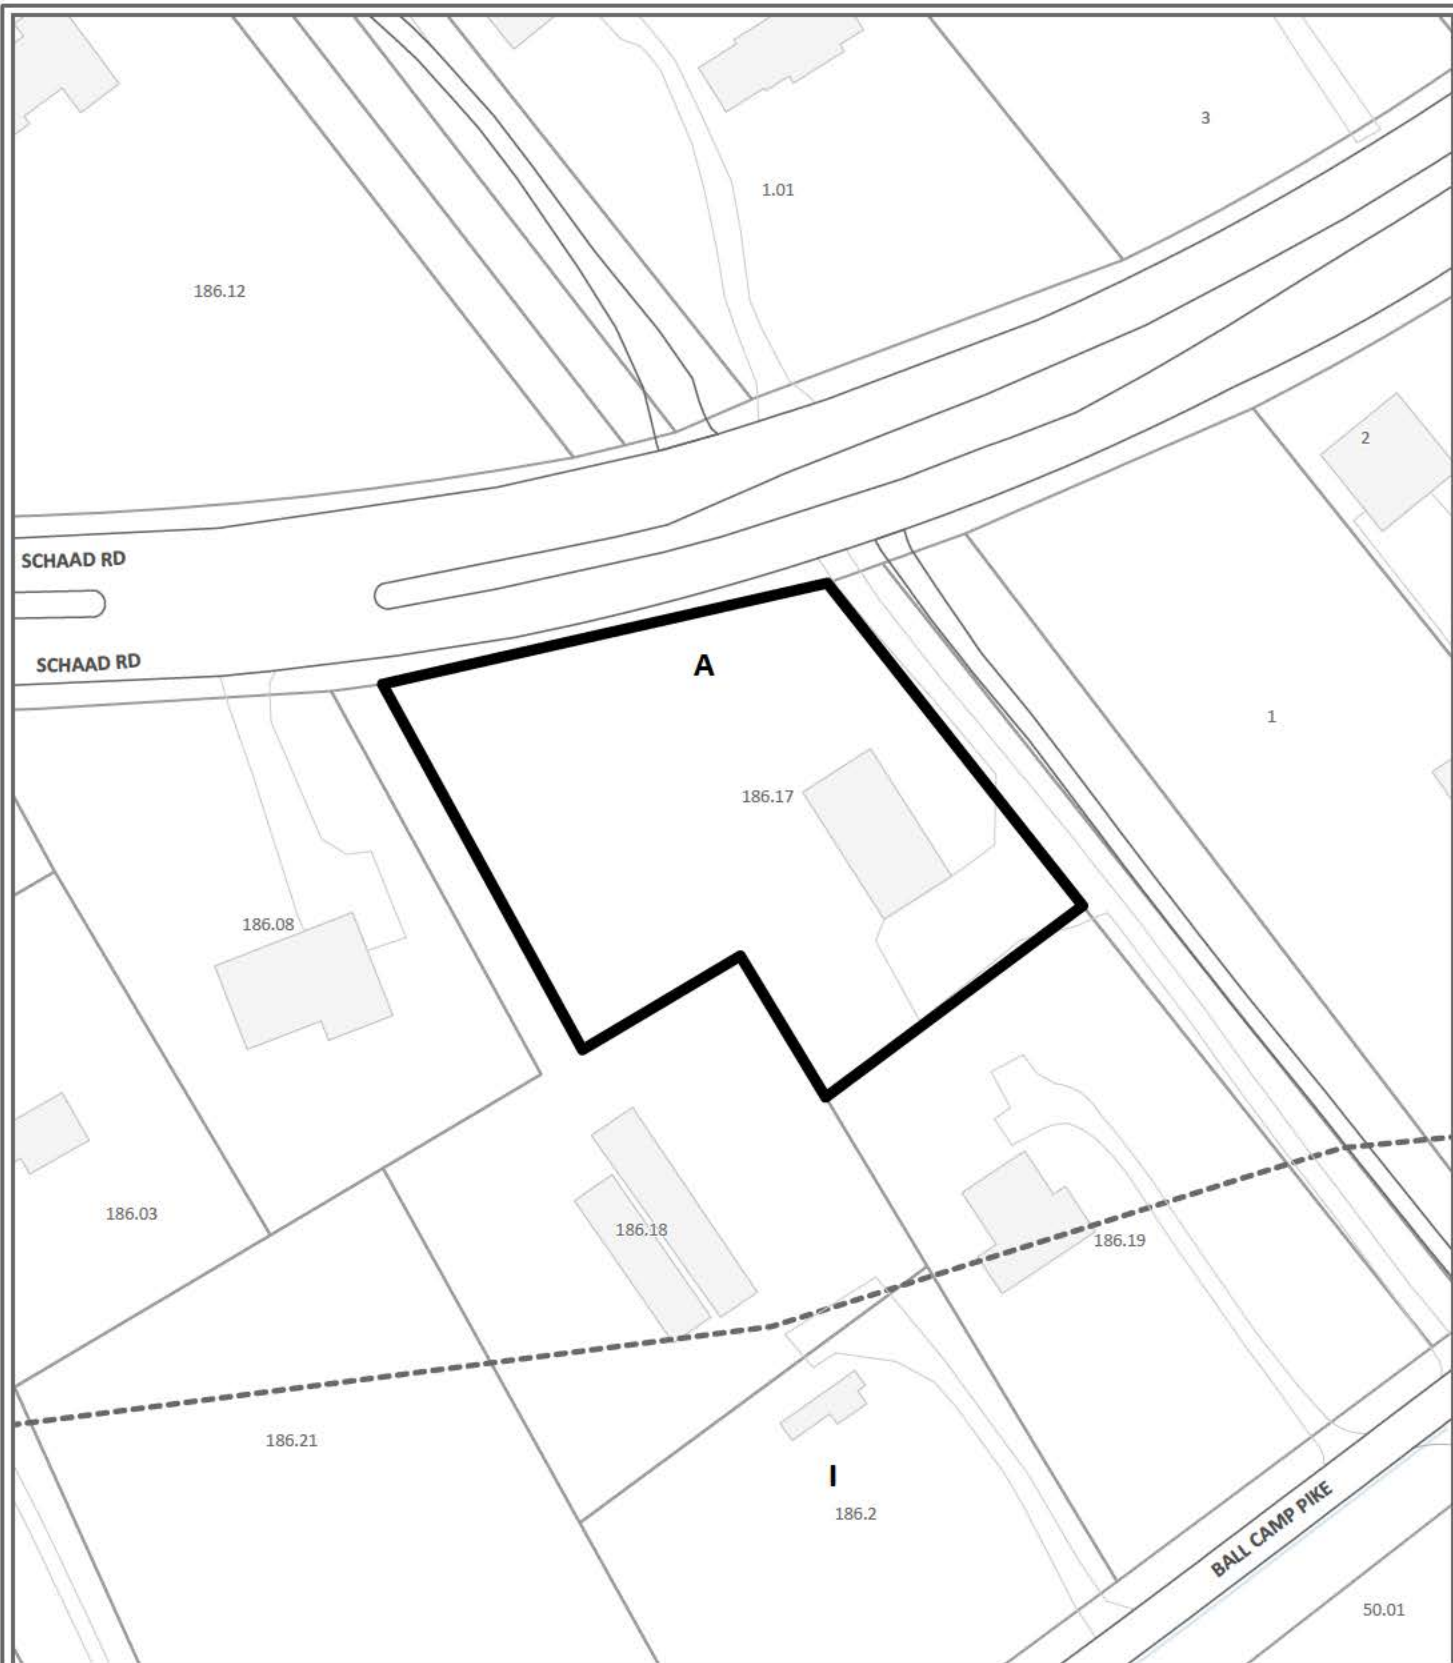

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

Schools affected by this proposal: Amherst Elementary, Karns Middle, and Karns High.

- Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

If approved, this item will be forwarded to Knox County Commission for action on 6/16/2025. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal a Planning Commission decision in the County.

Public Notice and Community Engagement

Planning strives to provide community members with information about upcoming cases in a variety of ways. In addition to posting public notice signs, our agency encourages applicants to provide information and offer opportunities for dialogue related to their upcoming case(s). We require applicants to acknowledge their role in this process.

Sign Posting and Removal

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission.

Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

Location and Visibility

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

Timing

The sign(s) must be posted not less than 12 days prior to the scheduled Planning Commission public hearing and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

Acknowledgement

By signing below, you acknowledge that public notice signs must be posted and visible on the property consistent with the guidelines above and between the dates listed below.
