

First of all we want to express our appreciation for the remarks concerning the future project at Zion Lane. Because of much misinformation and misunderstanding for who we are and what we do, We postponed the Rezoning meeting in order to better answer any questions about the planned project for our ministry. I will be speaking on the Bob Bell show on Joy62 radio Thursday morning at 7:30 and we have also planned a community meeting at our facility on October 29th at 6:00p.m. Seating will most likely be limited because of Covid -19 but we will try to make this meeting live on our facebook page as well. In the interest of time for everyone, we would like to have any questions other than the ones you so graciously provided already to be sent to us us via email so we don't have duplicates. We will pass on any information about this meeting to you and once again thank you for your participation. Please go to our Facebook page or website to keep up with us.
