Dear commissioners,

I am a homeowner that lives in Edwards Place Subdivision and I oppose the proposal for Woodbury crossing. We have reached out to this developer in concern due to their proposal this summer. To date we have received a response. The only thing we have to go off of is their website. I have attached pictures to show some of the single Family homes they have built in the past. As you can see they are portrayed as apartments. Is this what they are proposing for Woodbury crossing? Thank you, Katrina Butler
