To whom it concerns @ MPC of Knoxville, TN

Regarding the issue of ~~multiple~~ <sup>Multi Family</sup> Dwelling being brought to Norris Freeway at Gordon Smith Road.

I wish to give my opinion that I do not agree with this notion. As a homeowner directly in this area, it is my opinion that it will increase traffic and dangerous travel conditions to the already unsafe situation that is at hand. Bringing this housing plan to the intersection will not be in the best interest of residents in the area.

I oppose and ask that you vote NO on the matter.  
Kindest Regards,
