To whom it Concerns a MPC of Knoxville, TN
I am writing a letter to voice my opposition to the rezoning. offort at 3911 Gordon Smith Red in Halls.

I see daily the issue with traffic along Morris Ireeway and firmly believe that multi family dwelling proposal will add much more traffic and increase its already unsafe travels. We see unsafe bus stops and travels along these road ways and are in complete opposition of the proposal.

Please vote No on this matter
Kindest Regards,
