Dear Commission

I am writing this letter to strongly object to 74-22-R2 zone proposal to make the church a pantry. We don't need another pantry, because we have Fish right up the street. We already have homeless people around us, I have them in the back of me, and side of me. Plus it may cause me to not get out of my driveway. So please consider my letter to stop this, because I strongly object to it. I can't make it to the meeting, because I take care of my mother. So please don't change our zone. Would you want this in your neighborhood. Put yourself in my place.

Thank You for hearing me.
