To Whom It May Concern,

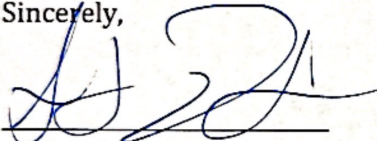

We, Grant Denton and Emyle Denton, are the owners and residents of the property located at 2704 Crosslane Road, Knoxville, Tennessee, which directly adjoins the parcel currently under consideration for rezoning.

We have been made aware of the proposed rezoning request for the adjacent property and have had the opportunity to discuss the intended use with the applicant. Based on our understanding, we do not have any objection to the proposed rezoning.

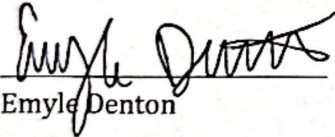

We appreciate being informed of the plans and feel comfortable with the proposed use of the property as it has been explained to us.

Please feel free to contact us if any additional information is needed.

Sincerely,

Grant Denton
